Dear Sir/Madam,

This letter is in response to the above captioned for information regarding LLDPE stretch film for industrial pallet wrapping, as supplied to you by QSPAC Industries, Inc.

In response to your request for information regarding FDA regulation – 21CFR 177.1520, to the best of our knowledge QSPAC Industries, Inc. uses LLDPE grades which comply with FDA regulation 21 CFR 177.1520 (Olefin polymers) for our stretch film. However, our stretch films are not to be used to contact with foods directly.

We cannot exercise the same control as mentioned above once the finished goods delivered to your premises.

If you have any questions or need additional information, please feel free to contact us.

Regards,
